

TOP 500 E-COMMERCE STORE PARTNERS WITH INC TO OPEN A NEW HEADQUARTERS

100+
LINES

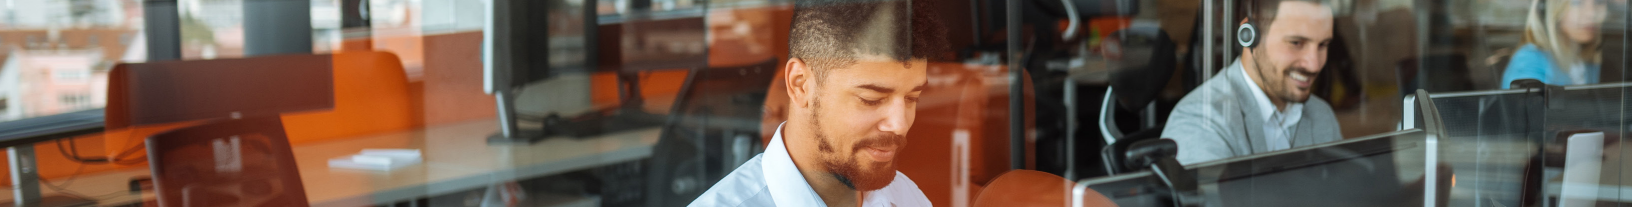

12 DAYS
INSTALLATION TIME

A top 500 e-commerce store relied on INC to open their new headquarters. The project encompassed data cabling, audio/video setup, voice, wireless, security, and server room build-out.

“INC’s ability to flawlessly implement all the aspects that make our office space functional is unmatched.”

THE GOAL

Provide comprehensive infrastructure cabling to support numerous systems in a timely manner.

THE APPROACH

- Identified cabling, cable management, and technology requirements for site.
- Coordinated with general contractors to identify installation date and communicate completion.
- Managed network of technicians working in both the office and attached warehouse to complete the job on time.
- Dressed the cables for safety and a professional look.
- Tested cabling.

RESULTS

- Over 100 Cat 6 cables run from MDF to workspace locations.
- Network setup included VoIP phone system, network printers, and wireless access points.
- Audio/Video setup included cabling, mounting, and testing of TVs.
- Security setup included IP camera wiring and installation and card access system.
- Color-coded cabling for quick identification.
- Server room build-out including three full-size cabinets.
- Installation completion time was 12 days over a three week period.
